

STEPHEN AJAGBE

112 Courtland St. NE, Atlanta, Georgia, USA.

ajagbetobistephen@gmail.com (+1) 470-815-5528 [Ajagbe Tobi - Portfolio](#)

EDUCATION

Georgia State University
MS Chemistry (Bioinformatics)

Georgia, USA.
January 2022 - Present

Landmark University
BSc Biochemistry, Cumulative GPA: 4.62 / 5.0
3rd Best Graduating Student (Biochemistry)

Kwara, NG.
October 2015 - July 2019

SKILLS

- **Programming:** Python, Javascript, NodeJS, React, ExpressJS, MongoDB, SQL, Firebase, CSS, HTML.
- **Software:** IQ Mol, Q Chem, VMD, MS Word, MS Powerpoint, MS Excel, SPSS Statistics.
- **Biochemical:** HPLC Analysis, Centrifugal analytic technique, Kjeldahl and extraction analytic techniques, Near-Infrared Spectroscopy, Spectrophotometric analysis, Anti-nutrient analysis, Antioxidant analysis.
- **Research:** Literature review, Experimental design, Data analysis, Result interpretation, Result application.
- **Language:** English, German, Yoruba.

RELATED EXPERIENCE

Chadow IT Service Hub
Front-End Developer

Lagos, NG.
July 2021 - December 2021

- Learned and applied the basics of programming.
- Designed and developed numerous pixel-perfect websites from prototypes.

RESEARCH EXPERIENCE

Landmark University, Department Of Biochemistry
Undergraduate Project

Kwara, NG.
January 2019 - June 2019

- Investigated the compositional, antioxidant, and anti-nutrient properties of nine accessions of Pigeon peas (*Cajanus cajan*).
 - Analysed nutritional properties by proximate analysis and Near-Infrared Spectroscopy.
 - Determined antioxidant capacities using DPPH radical scavenging assay.
 - Quantitatively established antinutrient properties by flavonoid, terpenoid, alkaloid, tannin, and saponin assays.

PROFESSIONAL EXPERIENCE

Georgia State University

Graduate Teaching Assistant

Georgia, USA.

January 2022 - Present

- Taught essential course concepts to students towards achievement of course objectives.
- Assisted professors in grading lecture materials and assignments.

Buslark Ventures
